

# AI DISTILLED

THURSDAY, FEBRUARY 26TH

3:40 PM TO 5:30 PM

TRINITY RIVER DISTILLERY / SILVER STAR SPIRITS

## AI DISTILLED

Practical AI for real businesses, paired with handcrafted whiskey. No hype. No sales pitch. Clear examples of how SMBs use agentic AI and Microsoft Copilot Studio to remove busywork.

## YOU WILL LEAVE WITH

- Understand what an agent is and why it is the next step beyond chat
- Understand why leaders can benefit from agentic AI
- Learn how to create your first Copilot agent

## WHISKEY WITH INTENTION

This is not a generic happy hour. You'll enjoy tasting pours from Silver Star Spirits while exploring real-world AI applications. The whiskey sets the pace: thoughtful, deliberate, and worth the time.

## LEVERAGE COPILOT STUDIO

### COPILOT STUDIO

Copilot Studio lets you build custom AI agents that automate tasks, answer questions, connect to business data, and streamline workflows.
